He was turned down at the national convention however, meeting his first political defeat.

CHAMBER OF COMMERCE

QUARTERLY MEETING HELD IN THE HACKFELD BUILDING THIS MORNING—REPORT BY SECRETARY SPENCER SHOWING WHAT HAS BEEN DONE DURING THE PAST QUARTER—TALK OF CHANGING THE HEADQUARTERS.

The quarterly meeting of the Honolulu Chamber of Commerce was held this morning in the chamber's rooms in the Hackfeld building. The principal business was receiving the report of Secretary James Gordon Spencer. The matter of changing the headquarters of the association was discussed, but no action was taken. The present room, while a large and very attractive one, is in a noisy situation, so that discussion is often difficult during meetings. It is also very hot in the afternoon. The members present expressed the highest appreciation for the generosity of Hackfeld & Company in supplying such a good room, but the opinion was expressed that meetings could be held better in a quieter locality. The matter was left in the hands of a committee.

The report of the Secretary was as follows:

"Since the last quarterly meeting of the Chamber the Trustees have held two special and three regular monthly meetings.

"In April, Governor Carter requested information from the Chamber, regarding the progress of the Territory since annexation. The matter was referred to the Committee on Commerce, Manufacture and Agriculture, which prepared a letter covering the following subjects: Political, strategical, the cable, commerce, Honolulu, internal improvements, education, possibilities of future development, Panama canal; which was adopted and sent to the Governor.

"The request for endorsement by this Chamber of the proposed tour of the Hawaiian Band by Mr. J. C. Cohen was refused for the reason that while the Chamber of Commerce wishes in all ways to assist in the advertising of the islands, it does not care to establish the precedent of endorsing any personal enterprise of this nature."

"The Committee on Commerce, Manufacture and Agriculture submitted resolutions with regard to forest reserves, which were adopted, and copies forwarded Delegate Kalaniano'ole at Washington with the request that he submit the same to the President, the Secretaries of the Interior and of Agriculture, Commissioner of General Land Office, Chief Engineer of the Reclamation Service and the Chief Forester, U. S. Department of Agriculture. The Delegate sent to the Chamber acknowledgments from the above officials.

"In May, Director Wilson of the Philadelphia Commercial Museum tendered the use of the building and facilities of the Museum at the St. Louis Fair, and at Philadelphia, to the members of the Chamber. This communication was published in the Honolulu newspapers, for the information of members.

"A statement from the Secretary of the Shippers' Wharf Committee showing receipts and disbursements was received and placed on file.

"A letter from the Commercial Club of Terre Haute, Indiana, suggesting exchange of courtesies between the two orders to visiting members was considered, but as this Chamber has no club house or place for the entertainment of visitors, no arrangement could be made.

At the request of Secretary Taft to Governor Carter by cable that the Philippine Commissioners to the St. Louis Fair be entertained while in Honolulu.

The Committee on Reception and Entertainment, jointly with a committee of the Merchants' Association, arranged a series of excursions and a reception. Full accounts of which were published in the newspapers.

"The Committee on Commerce, Manufacture and Agriculture to which had been referred the matter of the importation of pests into the Territory, made a report embodying an opinion by the attorneys of the Chamber, which was submitted to the Territorial Board of Agriculture and Forestry with the request that action be taken by that body. A reply from the Board stated that the subject had already been referred to the Secretary of Agriculture at Washington.

"The Secretary was authorized to purchase sufficient book cases for pamphlets, etc., but the question of a change of room coming up, this has not been carried out.

"A letter from the National Busi-

ness League of Chicago adding that this Chamber adopt resolutions favoring the extension of the Presidential term to six years with no re-election has been referred to the Committee on Legislation and Public Improvements, with instructions to prepare a resolution to that effect, for submission to the Chamber at the annual meeting in August.

"A request from the Acting Governor for certain information to be embodied in the annual report of the Governor is in the hands of the Committee on Harbors, Shipping and Transportation.

"An offer to the Chamber from the Pacific Building Co. of rooms in the Stangenwald Building is in the hands of a special committee consisting of Mr. Hedemann and Mr. Lowrey with instructions to report at this meeting.

"It was voted that the quarterly meeting be held on Wednesday, July 20th, at 10:30 a. m., and the annual meeting on the third Wednesday in August at the same hour.

JAMES GORDON SPENCER,
Secretary."

Those present at the meeting were President C. M. Cooke, F. J. Lowrey, W. F. Allen, J. T. Crawley, J. F. Morgan, H. A. Isenberg, T. C. Davies, C. L. Wright, E. D. Tenney, G. P. Wilder, J. R. Gilt, D. P. R. Isenberg, T. J. King and Secretary Spencer.

DEMOCRATS REDUCED

(Continued from page one.)

delegates for twenty members. The other measure prevailed however.

A committee consisting of Col. C. J. McCarthy, Frank R. Harvey and R. B. Kidd was appointed to draft a call for the Territorial and District conventions. This committee met this morning and decided to have the precinct nominations on Friday, August 5, and the primary elections of delegates to the two conventions Saturday, August 13, between the hours of 2 p. m. and 8 p. m. The Territorial convention and District conventions will be held on Monday, August 22, at 10 a. m. The purpose of the Territorial convention will be to choose a candidate for delegate to Congress, to adopt a platform and to elect a new Territorial central committee, while the duty of the District conventions will be to nominate candidates for the legislature. This committee will report to the central committee next Friday night, in order that its report can be ratified and the call published.

The question of endorsing some names for appointment on the board of registration was brought up at the meeting last night. The names of F. J. Testa, Fred Weed and Harry Juen were selected as the choice of the committee. These names will be presented to Acting Governor Atkinson who may select the Democratic member from this list.

The question of dividing the precincts that are too cumbersome, was discussed and a committee appointed to confer with Acting Governor Atkinson on this subject.

The matter of the appointment of Democrats as election officers at the various voting booths was discussed. A list will be prepared and later submitted to the Acting Governor.

The matter of holding a ratification on the return of the Democratic national delegates was not discussed. This matter will be probably taken up at the meeting Friday night and adjournment being taken to that time.
